Item	Material/Description	Quantity	UM	Unit Price	Net Amount
	5.2 All work outside the above codes, standards and specifications shall follow industry guidelines and practices. 5.3 CONTRACTOR shall comply with COMPANY Policies, General Instructions and Work Procedures regarding the use of Personal Protective Equipment (PPE). 5.4 CONTRACTOR shall comply with COMPANY Safety, Health, Environment and Security Instructions (it is the responsibility of CONTRACTOR to seek more applicable details from COMPANY technical representative, before mobilization at site.) 5.5 COMPANY may from time to time and at any time require CONTRACTOR to suspend performance hereunder completely or partially for whatever length of time COMPANY may elect. The time for completion shall be extended by each period that the completion date is necessarily delayed by (a) the actions or omissions of COMPANY or another independent contractor that is directly responsible to COMPANY (unless such delay is due to CONTRACTOR's actions or failures to act). In case COMPANY requires suspending the performance of work, CONTRACTOR shall be given reasonable delivery extensions. 5.6 In case, CONTRACTOR performance is not up to COMPANY expectation then COMPANY reserves the right to impose appropriate penalties to recover the cost of material supplied / schedule. 5.7 CONTRACTOR is responsible to verify the Scope of Work by conducting a Field Survey or Site Visit and familiarize themselves with the job requirement before commencement of work. 5.8 All special tools and/or equipment required for the project shall be furnished by CONTRACTOR. 5.9 CONTRACTOR shall be solely responsible for thorough inspection and testing of the Work and for the quality of the Work. All such inspection shall be in accordance with the Quality Plan. COMPANY's inspection of, testing of, approval of, or agreement to the performance of any part of the Work shall in no way relieve CONTRACTOR of its responsibility for the Work. 5.10 In the event of a schedule change or any other contingency involving any unanticipated delay in receipt of Materials, fabrication, or meeting other scheduled completion dates, CONTRACTOR shall notify COMPANY within a reasonable period, as determined by COMPANY and not to exceed FIVE (05) calendar days, subsequent to identifying the delay as to the nature and extent of impending delay and also propose further action to recover the original schedule. 5.11 CONTRACTOR shall be responsible to maintain, at all times during work in progress the required Insurance Certificates, as stipulated in the General Terms & Conditions. 5.12 CONTRACTOR shall immediately notify COMPANY Representatives and seek written approvals to proceed on any discovery works, changes on field plan and /or method statement. This compliance requirement should be thoroughly communicated to all the CONTRACTOR's personnel (both direct and indirect) involved in work execution. 5.13 CONTRACTOR shall ensure presence of their personnel to the designated work area only. Any Person found in or around unrelated plant area, shall be subject to immediate removal from Plant. CONTRACTOR shall provide a suitable replacement immediately to avoid any effect on work progress. 5.14 Any manpower mobilized by CONTRACTOR at COMPANY facility to perform services under this
